

## **Intermediate Natural Resource Professional / Technician**

We are seeking an Intermediate Natural Resource Professional / Technician with 5+ years of experience looking to advance their career with a team of senior professionals. This position is ideal for the person that enjoys trying new tasks and exploring new places. Wildwood Engineering & Environmental Ltd. is a Prince George based company that prides itself in providing a high level of service to resource development and urban projects across central and northern BC.

The position will involve completing a variety of duties including planning, field work and reporting for projects around stream crossings, resource roads, utility corridors, mines, site restoration, and municipal projects. As a small multi-discipline group, you will have the opportunity to work across all sectors and services that we provide.

### What We Offer

- Competitive salary and benefits package based on experience;
- Mentorship from senior professionals and strong support for professional development;
- A high level safety program with well maintained vehicles and equipment;
- On the job training and courses through third party providers; and,
- A place we enjoy coming to work every day!

### Your Experience

- Minimum Bachelor Degree or Technical Diploma in Biology, Forestry, Natural Resources, Mining, or Resource Engineering;
- Excellent written and oral communication (English) and proficient computer skills;
- Comfortable working outdoors and operating 4x4 vehicles in all weather conditions;
- Willingness to travel and work in remote locations for extended periods;
- Enjoy working with a team as well as independently;
- Physically fit with experience navigating on resource roads;
- Ability to work long days and weekends;
- Positive attitude and willingness to try new tasks; and,
- A strong demonstrated commitment to working safely.

The ideal person will be a member in good standing or eligible within one year of employment to register with a natural resource professional organization under the Professional Governance Act in BC (CAB, ABCFP, EGBC, BCIA, or ASTTBC).

Conditions of employment for this position include:

- A valid BC Class 5 or Driver's License; a driver's abstract will be requested; and,
- A clean drug and alcohol test as many of our clients require this documentation.

### Additional Assets

- Valid Level 1 First Aid;
- Able to conduct moderately complex tasks independently;
- Experience operating ATVs/UTVs/snowmobiles/boats;
- Experience supervising junior staff;
- Experience working around heavy equipment;
- Experience with RoadEng and/or GIS; and,
- Electrofishing Certificate.

If you enjoy the outdoors and being challenged, send your cover letter and resume to [jwhite@wildwoodgroupc.ca](mailto:jwhite@wildwoodgroupc.ca). We would like to thank all applicants for your interest; however only those applicants that are being considered for this position will be contacted.
