

## Down to Earth Biology

Since starting EDI 25 years ago, extraordinary people have joined our outstanding team – people who are making a difference and helping us thrive. We work together with our team members to achieve goals, realize career successes, and to be part of something special. Through our relationships with team members, we realize that EDI is not just a company – it is *their* company.

**Our benefits include:**

- A challenging, engaging and rewarding work experience
- Competitive wages and vacation time
- Comprehensive benefits package
- Quarterly profit sharing and bonuses
- Overtime pay with option to bank hours

EDI is seeking a qualified team member with a basis in terrestrial ecology and an aptitude for data analysis and technical reporting. The successful candidate will be contributing to a series of projects determined by their professional interests. They will be part of a team that includes mutual mentorship and professional growth.

**Our ideal candidate will hold the following education and experience:**

- A minimum of 2 years' related experience.
- B.Sc. degree in biology or related discipline(s); M.Sc. degree optional.
- Registration or eligibility for registration in a professional organization (e.g. R.P.Bio., P.Biol., A.Ag., P.Ag.)
- Demonstrated experience in one or more of:
  - Vegetation
  - Soil Science
  - Wildlife
  - Ecosystem mapping
  - Wetlands

**Desirable experience or aptitudes including the following:**

- Has contributed to a regulatory process, specifically an Environmental Assessment process.
- Excellence in technical analysis and writing.
- Sound communication, organizational and time management skills.
- Self-motivated and responsive, yet calm demeanor in a fast-paced environment.
- Interest in mentorship and life-long learning
- Experience and interest in mentoring staff and life-long learning.
- Willingness to travel for field work in remote locations and/or between offices.
- Class 5 driver's licence.

If you are ready for new challenges and a positive career experience, please email your resume in confidence to: [employment@edynamics.com](mailto:employment@edynamics.com) with SK0915 in the subject line. Applications will be considered as soon as they are received until September 15<sup>th</sup>, 2019
