Employment Opportunity:

Environmental Consultant

DWB is seeking applications for

an Environmental Consultant to join our team in Vancouver, BC. The successful candidate will be responsible for providing technical support and supervision to junior staff in the preparation of environmental assessment reports, proposals, and study designs. The candidate will also be responsible for conducting field assessments and surveys, and for preparing and implementing erosion and sediment control plans.

Qualifications:

- University degree in Environmental Science, Environmental Engineering, or a related field
- Minimum 3 years of professional experience in environmental consulting
- Professional registration in BC as a Professional Engineer, Professional Geoscientist, or Professional Forester, or eligible for registration within one year.
- University graduate with a minimum 2.5 GPA

EXPERIENCE WITH THE FOLLOWING IS CONSIDERED AN ASSET:

- Understanding of environmental regulatory processes in BC
- Liaising with clients and regulators
- Supervision, training and mentoring of junior staff
- Preparation of proposals, cost estimates and study designs
- Technical report writing
- Environmental field assessments and surveys (fish/wildlife/wetland/vegetation/soils)
- Erosion and Sediment Control (ESC) plans
- Construction Environmental Management Plans (CEMP)
- Environmental monitoring on construction projects.

Interested candidates should email their resume and cover letter to hr@dwbconsulting.ca. Please include the job title in the subject line. Only short-listed candidates will be contacted.

DWB offers a competitive wages, travel allowance and a year end bonus. We also offer a health benefits package, professional association fee compensation, mentoring and professional development opportunities.

DWB provides staff team building events and sponsors annual company trips for their full time employees including ocean fishing charters, Okanagan wine tasting tours, fly-in remote hunting trips and more!

Please email a resume and cover letter to:

Ryan Wonnacott, RPBio

DWB would like to thank all those that apply but will only be contacting those candidates who are short-listed for an interview.

Closing Date for receipt of resumes: Open Until Filled.
