COLLEGE OF
APPLIED BIOLOGY
Professional Accountability

File: 008-02

Allegation:

A complaint was submitted against a College member alleging that the subject member participated in an environmental report but denied involvement and did not affix their seal to the publication in contravention of the College of Applied Biology's Rule 13 -Use of Professional Seal and Signature." Specifically, 13.2: Active members in good standing should affix their seal to all publications, monographs, reports, special letters, plans and drawings; and all such other professional papers and things containing professional opinion or work product that he/she prepares or are prepared under his/her supervision.

Decision:

The Discipline Committee requested additional information from the complainant in order to proceed. The complainant did not provide the requested information and the complaint was not carried forward and the file closed.

Postscript:

When submitting a complaint ensure that documentation of the alleged infraction is provided. The Discipline Committee requires this information before it can make a determination on an allegation against a member.
