

File #19-02

Subject Member: Registered Biology Technologist

Complaint Submitted: April 1, 2019

Date of Decision: May 15, 2019

Complaint Summary:

A complaint was submitted by a member of the public (the complainant) against a Registered Biology Technologist (RBTech) alleging misrepresentation of their credentials on a company website. The complainant noted that the company website where the RBTech is employed stated they were an RPBio.

Decision:

The Registrar contacted the RBTech regarding the issue on the company website. The RBTech replied promptly and indicated the corrections had been made on their website. The RBTech stated the error was never an intentional attempt to misrepresent their credentials.

The Discipline Committee reviewed the information and determined the issue had been adequately resolved.
